**NATIONAL MOTOR FREIGHT CLASSIFICATION
Proposal Notification—Docket 2008-1**

«Title»
«Company»
«Address»
«Citystatezip»

On Monday, February 4, 2008, the Commodity Classification Standards Board (CCSB) will conduct a public meeting to consider proposals for amending the *National Motor Freight Classification (NMFC)*. The meeting will be held at the **Lago Mar Resort and Club, 1700 South Ocean Lane, Fort Lauderdale, Florida 33316**, commencing at **8:00 a.m.** The telephone number of the hotel is 954-523-6511.

Our records indicate that you might have an interest in one or more of the proposals that will be considered by the CCSB, as listed in Section I of Docket 2008-1. The docket and all facts, data and evidence of record are available to you without charge at **www.nmfta.org**. Go to "Public Docket Files" and then "2008-1." The public files are indexed for ease of reference.

The CCSB invites you to submit information relating to the transportation characteristics—density, stowability, handling and liability—of the product(s) involved, or relevant to packaging materials or methods in connection with proposed packaging amendments. The information you furnish should include any underlying studies, supporting data and other facts that you deem pertinent.

All facts, data and evidence must be received by the CCSB no later than January 25, 2008, for inclusion in the public docket file, although you may submit statements or analyses based on the information in the public docket file up to and including the meeting on February 4, 2008. **Decisions on docketed proposals will be based on the information in the public docket file.** The CCSB is committed to protecting the confidentiality of commercially sensitive information. The identity of specific products (model numbers, trade names, etc.) and the name of the company or individual providing the information will not be made part of the public file.

Anyone who submits a written statement on a proposal prior to the meeting, or anyone who attends the meeting in connection with a proposal, will be registered as a party of record to that proposal. Parties of record will be sent the disposition of the proposal and will be entitled to seek reconsideration or arbitration should they disagree with that disposition. (One does not have to be a party of record to request reconsideration.)

If you wish to schedule an appearance at the public meeting or require further information, please contact Matthew Welsh, Classification Coordinator, at 703-838-1869 or welsh@nmfta.org. Written statements may be mailed, emailed or faxed.

Very truly yours,

COMMODITY CLASSIFICATION STANDARDS BOARD
