«Citystatezip» «Country»

The *National Motor Freight Classification (NMFC)* is a standard that provides a comparison of products moving via motor carrier in interstate, intrastate and foreign commerce. Classes are assigned based on an evaluation of the product's transportation characteristics.

**On Tuesday, February 3, 2009**, the Commodity Classification Standards Board (CCSB) will conduct a public meeting to consider proposals for amending the *NMFC*. The meeting will be held at the **La Costa Resort and Spa, 2100 Costa Del Mar Road, Carlsbad CA 92009**, commencing at **8:00 a.m.** The telephone number of the hotel is 760-438-9111.

Our records indicate that you might have an interest in one or more of the proposals being considered, as listed in Docket 2009-1. The docket and all facts, data and evidence of record are available to you without charge at **www.nmfta.org**. Go to "CCSB" on the navigation bar, click on "Public Docket Files" and then click on "2009-1." The public files are indexed for ease of reference.

The CCSB invites you to submit information relating to the transportation characteristics—density, stowability, handling and liability—of the product(s) involved, or relevant to packaging materials or methods in connection with proposed packaging amendments. The information you furnish should include any underlying studies, supporting data and other facts that you deem pertinent. The information may be mailed, emailed or faxed.

**All information must be received by the CCSB no later than January 26 2009, for inclusion in the public docket file**, although you may submit statements or analyses based on the information in the public docket file up to and including the meeting on February 3, 2009. **Decisions on docketed proposals will be based on the information in the public docket file.**

Anyone who submits a written statement on a proposal prior to the meeting, or who attends the meeting in connection with a proposal, will be registered as a party of record to that proposal. Parties of record will be sent the disposition of the proposal and will be entitled to seek reconsideration or arbitration should they disagree with that disposition. (One does not have to be a party of record to request reconsideration.)

If you wish to schedule an appearance at the public meeting, if you require further information, or if you do not have Internet access and would like a copy of Docket 2009-1, please contact Colleen Airgood, Classification Assistant, at 703-859-3924 or [airgood@nmfta.org](mailto:airgood@nmfta.org).
