## NOTICE OF DISPOSITION – DOCKET 2009-1

This notice reflects proposed amendments considered by the Commodity Classification Standards Board (CCSB) at the public meeting on February 3, 2009, and the action of the CCSB on each proposal.

Dispositions resulting in amendments to the *National Motor Freight Classification (NMFC)* will be published in a supplement to the *NMFC*, unless reconsideration is granted or arbitration is requested in accordance with the CCSB's rules. The supplement is scheduled to be issued on March 26, 2009, with an effective date of April 25, 2009, except as otherwise noted.

The CCSB may, in its discretion and for good cause shown, reconsider any docketed proposal on which disposition has been made. Requests for reconsideration must be made by mail, email or fax and must be received in my office no later than the close of business March 5, 2009.

If the proponent of a proposal or any party of record to a proposal disagrees with the disposition of that proposal, they may request neutral arbitration. Requests for arbitration must be made by mail, email or fax and must be received in my office no later than the close of business March 5, 2009.

Information on the CCSB, its procedures for amending the *NMFC* and its rules governing arbitration—including a list of available neutral arbitrators—may be obtained online at **[www.nmfta.org](http://www.nmfta.org)**.
